

setOngoingNotificationIcon

```
graph LR; A[setOngoingNotificationIcon] --> B[OngoingNotificationError Check];
```

A flow diagram consisting of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'setOngoingNotificationIcon'. A dark blue arrow points from the right side of this box to the left side of a second, white box. The second box contains the text 'OngoingNotificationError' on the top line and 'Check' on the bottom line.

OngoingNotificationError
